

Authorization - Essential oils

I _____ authorize the use essential oils as an aromatherapy during the time my child _____ in the Sunflower Child daycare LLC.

Essential oils will be used during the flu season to sanitize the rooms via a diffuser.

Description:

This type of essential oil diffuser uses water and electronic frequencies to create a fine mist from the essential oil and water. Ultrasonic vibrations are created by a small disk under the surface of the water which causes the essential oil to break up into tiny micro particles.
